External user's goal

Ready food is an online restaurant whose main goal is to attract food lovers and single Adults who love to eat out or order in and do not have time to cook.

The site is interested in attracting food lovers to try out food on the site and also to retain them.

Potential features to include:

- Showcase photos of enticing food layouts and any other media to motivate people to make an order.
- Provide details on the various food items listed on the site such as name and price and with a prompt to buy now.
- Provide information on the hygiene of the food preparation, benefits of ordering from site and other promos and incentive..

User stories:
